

# StableTable® Nouveau

## When tradition meets innovation

The all-new StableTable® Nouveau is a design table steeped in tradition.

With its soft curves, understated Scandinavian appeal and updated contemporary lines, the new table stands out as a design classic.

The concept has been developed to meet the aesthetic needs of modern cafés, bistros, bars and restaurants. True to our Swedish design heritage, form goes hand in hand with functionality. The softly curved legs stand firmly in place thanks to the unique, patented StableTable® technology inside. StableTable® Nouveau automatically adjusts to both bumps and grooves and manages height difference up to 25 mm.

*StableTable® Nouveau is available in 57 cm cross legs with a footprint of about 41 cm, suitable for table tops up to 80 cm round or 70x70 cm square. The table can be used both indoors and outdoors all year round. It is equipped with a FlipTop™ folding mechanism. A convenient handle which doubles as a loop for a safety wire, and two hooks for bags/coats can be added. Height 72 cm and weight 7.2 kg.*

**StableTable**   
"No more wobbly tables!"

**StableTable® Nouveau at Plaza España in Seville, Spain**  
When Swedish innovation meets Spanish architecture and tradition, something magical happens and timeless furniture - solving real problems - is created.

## StableTable<sup>®</sup> Nouveau FlipTop<sup>™</sup>

### Design concept and benefits

StableTable<sup>®</sup> Nouveau is a design table steeped in tradition and built with the ingenious StableTable<sup>®</sup> self-stabilising technique inside. The table is a classic design updated to contemporary lines that makes the table stand out with soft curves and understated Scandinavian appeal.

True to our Swedish design heritage, form goes hand in hand with functionality, and the softly curved legs stand firmly in place thanks to the unique StableTable patented technology inside that manages both bumps and grooves and handles height differences up to 25mm.

The table meets the aesthetic needs of modern "Nouveau" Cafés, and Bistro style restaurants and help designers and architects in search of tables for use on uneven floors and grounds

As with all StableTable tables, the StableTable Nouveau table is produced in Sweden in our ISO 14001 and 9001 certified factory.

### Dimensions

Cross leg	Diagonal length 57 cm Footprint 41 cm Thickness of leg 8 mm
Centre pillar	76 mm Ø
Height	72 cm
Weight	6,9 kg
